

# RINGWOOD CHRISTIAN SCHOOL

## Supply List 2018 - 2019

### UPPER ELEMENTARY SCHOOL

A student's success in school is greatly enhanced when he/she is organized and has the proper tools and materials. This list will help parents know what the student will be using throughout the school year.

Please note -

- We will be making a concerted effort to help students develop their organizational and study skills. This can only begin when the student has the necessary materials.
- At times, the teacher has given specific details relating to an item. There are good reasons for these details. It may be for safety reasons, quality of product or space constraints in the classroom.
- Please note that some items are for home use only or for specific grades.
- Colorful school supplies can be fun to buy, but we ask that you keep one thing in mind when you make your purchases. Notebooks, pads, etc. should not be geared to advertising or highlighting music personalities or groups.
- **PLEASE NOTE!!** —Due to space constraints and safety concerns students may NOT have bookbags with wheels and/or pull-out handles.
